Park Projects Update

The \$60 million Parks General Obligation (GO) Bond, approved by Cape Coral voters in 2018, was designed to fund new parks and cover a variety of improvements to existing parks. Additional projects have been funded through the Parks operating and/or capital expense budget.

Recent GO Bond Projects

Bigger projects completed in 2020 include:

- Three new playgrounds were built at Koza-Saladino Park, Northwest Softball Complex and Pelican Baseball Complex.
- Four new twenty-foot picnic pavilions were constructed, including two at Northwest Softball Complex and two at Horton Park.
- New 8' perimeter fence is being installed at Pelican Soccer Complex (under construction).
- New shade structure is being added over the playground at Giuffrida Park (under construction); Shade cover installation at additional playgrounds is scheduled to begin in 2021.

Other Park Improvements

- **Joe Stonis Park & Burton Memorial Park** - Tennis and pickleball courts have been repaired, resurfaced and relined. This includes four pickleball courts (previously two) at Stonis Park with portable pickleball nets stored in the new deck boxes on the courts.
- **Veterans Memorial Park** - Clay bocce ball courts received new clay, laser level grading, new backboards, plus new sidewall and backstop court carpet. The warning marks were also re-painted and new timer controls were added for the lighting system.
- **Cape Coral Sports Complex & Pelican Soccer Complex** - Parking lots have been seal-coated and relined in time for the fall sports season.

For more information on the Parks GO Bond and to see the tentative timeline for implementation, visit www.capecoral.net/GObond.

Boating & Water Activities

BOATING

If you enjoy boating, you've come to the right place! The City of Cape Coral boasts **over 400 miles of canals**, many of which have direct access to the Caloosahatchee River and Gulf of Mexico, offering a wide range of marine activities to boating enthusiasts of all ages. **The City's waterways are overseen by the Marine Services Division of the Parks and Recreation Department:**

■ Marine Services Division

5818 Driftwood Parkway, Cape Coral • (239) 574-0809

Daily Hours: 8:00am-5:00pm • Holidays: 9:00am-5:00pm

In addition to managing Cape Coral's waterways, the Marine Services Division operates two marinas and the Chiquita Boat Lock:

⚓ Cape Coral "Godman" Yacht Basin

5818 Driftwood Parkway

Located on the grounds of the Yacht Club Community Park, the Yacht Basin features 89 boat slips, which are utilized to dock vessels up to 55 feet in length. Daily, monthly and annual rentals are available on a first come, first serve basis.

⚓ Rosen Park Marina

2414 SE 15th Terrace

The marina at Rosen Park houses 19 wet boat slips designed to handle vessels up to 40 feet in length, which are available for annual and transient rentals. Rosen Park can be accessed via boat by turning West at marker #58. Marine Services staff monitors VHF channel 16.

⚓ Chiquita Boat Lock

5805 Cape Harbor Drive

Hours of Operation: 6:00am-10:00pm After Hours Access: 239-542-5661

Please call lock operator one half hour prior to usage.

The Chiquita Boat Lock provides Gulf access from Camelot Canal & Southwest Spreader Waterway into the ICW via the Caloosahatchee River and is located approximately 2.75 statute miles from the Sanibel Causeway Bridge. It is utilized to help control boat traffic and maintain safe water levels.

PUBLIC BOAT RAMPS

Cape Coral's waterways can be accessed by watercraft via five improved **public boat ramps** including:

⚓ BMX Boat Ramp

1509 SW 7th Court

Launches into Shelburne Canal which connects with several freshwater canals as well as Alhambra Lake, Lake Kennedy and Saratoga Lake.

⚓ Burnt Store Boat Ramp

230 Burnt Store Road South

Launches into Rosemary Canal (saltwater) which connects with several canals and leads to Matlacha Pass.

⚓ Horton Park Boat Ramp

2600 SE 26th Place

Launches into Chantry Canal (saltwater) which connects with the Caloosahatchee River south of the mid-point bridge.

⚓ Rosen Park Boat Ramp

2414 SE 15th Terrace

Launches into Everest Canal (saltwater) which connects with the Caloosahatchee River just north of the mid-point bridge.

⚓ Yacht Club Boat Ramp

5819 Driftwood Parkway

Launches into Redfish Cove (saltwater), which is a part of the Caloosahatchee River, south of the Cape Coral bridge.

BOATING & BOAT TRAILER PARKING

Cape Coral's **boat trailer parking program** was established to help reduce boat ramp traffic and provide funding for additional security and future ramp improvements. This program requires boaters to pay a **\$10 daily fee** to park their boat trailers at Cape Coral's five improved boat ramp locations while they are out on the water.

Through a partnership with **Passport**, drivers are able to pay to park from their smartphone, tablet or computer. **The Passport Parking app is free to download from the iPhone App Store and Android Google Play.** If a boater does not have a smartphone, they can call **(239) 424-9459** to register with Passport. **When using the Passport Parking app, boaters are reminded to enter the tow vehicle license plate number and not the trailer plate number when entering payment information.**

Important Note: When entering payment information, Passport will require that boaters enter the zone number of the boat ramp location where they will be parked. **Please see the Boat Ramp zone numbers listed below:**

Boat Ramp Locations:	Zone #:	Boat Ramp Locations:	Zone #:
BMX Park	1960	Rosen Park	1959
Burnt Store	1961	Yacht Club	1957
Horton Park	1958		

When using the iPhone app or internet site to pay for boat trailer parking, **please be sure to pay BEFORE launching your vessel.** Cape Coral Park Rangers & Law Enforcement personnel patrol the five park locations daily and must issue violation tickets to any vehicles/trailers that do not pay the daily fee or have a current resident or commercial decal.

ANNUAL PARKING DECALS

As another option to paying a \$10 daily parking fee, **Cape Coral residents may purchase an annual decal for only \$50 (+ tax)** allowing them to park their boat trailers as many times as they wish over the course of the year.

There is also a provision for **commercial Cape Coral businesses to purchase annual decals for \$100 (+ tax) each.** The provision applies to for-profit businesses, based in Cape Coral, which provide guide services, boat trips, construction, and other services on the water. Annual parking decals are only available to Cape Coral residents and Cape Coral based businesses, and they are valid one year from the date of purchase. They may be purchased at the Parks & Recreation reception desk in City Hall (239-573-3128) or at the front counter of the Yacht Club Ballroom with cash, check, or credit card.

Required to Bring:

- **Driver's license and vehicle registration**
- **Proof of Cape Coral residency** (i.e. local utility bill) with corresponding name and address on it.

BOATING SAFETY

Prior to boating, particularly in a new environment, it is recommended that people familiarize themselves with **boating safety and etiquette.** This information can be obtained through the U.S. Coast Guard Auxiliary at (239) 549-1027.

For a complete list of rules and regulations concerning recreational boating in Florida, visit the Boating page of the Florida Fish and Wildlife Conservation Commission's website at <http://myfwc.com/boating/>.

Boating & Water Activities

FISHING

With its vast canal system and convenient location on the banks of the Caloosahatchee River, Cape Coral offers several **fishing opportunities** for both freshwater and saltwater activity.

Prior to dropping lines in the water, it is important that people be aware of, and adhere to Florida fishing license requirements and laws in order to avoid potential citations.

The best source of information for current fishing rules and regulations, license fees, exemptions, measurements, seasons, species, and other "fish facts" both for saltwater and freshwater fishing is the Florida Fish & Wildlife Conservation Commission (FWC) website at www.MyFWC.com.

KAYAKING / CANOEING / SUP

With so much water located in and around Cape Coral, kayaking, canoeing and stand-up paddle boarding are all popular activities enjoyed by locals and visitors alike. The popular **Great Calusa Blueway is a 190-mile marked canoe and kayak trail** that encompasses three distinct regions of the Gulf of Mexico coast, ranging from open waters to sheltered mangrove creeks, and easily accessible from Cape Coral.

For a complete list of rules and regulations concerning recreational boating in Florida, visit the Boating page of the Florida Fish and Wildlife Conservation Commission's website at <http://myfwc.com/boating/>.

KAYAK LAUNCHES

For those who have their own kayak, canoe or SUP and wish to explore the area on their own, there are several Cape Coral parks where people are **permitted to launch** their vessels from. In addition to the five public boat ramps, highlighted on page 8, additional kayak launch locations include:

- Four Mile Cove Ecological Preserve**
Launch is located adjacent to the Kayak Shack and allows kayakers to access the various saltwater creeks located within and around Four Mile Cove just north of the mid-point bridge.
- Tropicana Park (unimproved)**
Narrow, unimproved kayak launch with access to the Calusa Blueway (saltwater) via Matlacha.
- Saratoga Lake Park**
New ADA accessible kayak launch located on the southeast side of the park that launches into the same freshwater canal system as BMX Boat Ramp.
- Sirenica Vista Park**
ADA accessible kayak ramp located on the northwest side of the park that provides easy access to the Calusa Blueway (saltwater).

There is not a parking fee at any of these locations unless a boat trailer is used, in which case the **Boat Trailer Parking Program** fee applies.

FISHING LOCATIONS

Below is a list of approved **fishing locations** within Cape Coral's parks and the hours that people are permitted to fish:

Park	Location	Hours

KAYAK RENTALS

For those who are looking to get in on the excitement but don't have a kayak of their own, the Parks & Recreation Department offers seasonal weekend **kayak rentals** at Four Mile Cove Ecological Preserve from early November through late-May.

Kayak Shack at Four Mile Cove Ecological Preserve

2101 SE 23rd Terrace • (239) 574-7395

Open Weekends Only, November-May (closed June-October)

Hours of Operation: 8:00am-4:00pm

Last two-hour rental must depart by 2:00pm; All boats must be back by 4:00pm

For information on weekdays or off-season, call Rotary Park at (239) 549-4606.

KAYAK RENTAL RATES*

Single kayak: \$30/four hours; \$20/two hours; \$10/hr addl. hours

Tandem kayak: \$45/four hours; \$30/two hours; \$15/hr addl. hours

* Must be 18 or older to rent a kayak with a driver's license as collateral and no pets or children under 6 are permitted; Rental prices include equipment and sales tax.

The **kayak trail** at this preserve is intricate in nature and includes an 800-foot portage, so is not intended for beginners or young children. In addition to the portage, there are narrow mangrove tunnels, many twists and turns, and there could be shallow water in the tunnels or choppy water if you venture out into the river to get to the cove.

Four hours is the recommended rental choice because the best part of the park is on the east side of the portage. After the portage, there are no homes, no roads, just you and mother nature.

KAYAK / SUP PROGRAMS

In addition to kayak rentals at Four Mile Cove, the Environmental Recreation Division of the Parks & Recreation Department offers various **kayaking/SUP programs and tours** throughout the year for both beginner and advanced skill levels.

For more information, see the "Gardening & Nature" section of the program guide or contact Rotary Park Environmental Center at (239) 549-4606.
